529 (986) Sri. Ivan Nigli (Nominated) :- Hon'ble Minister for Rural water supply, Sanitation & Sugar requested to answer the following questions?

a) The number of Sugar factories in the State; The number of Sugar factories under the control of Government and Private Sugar factories;

b) The number of sick units and the reasons therefore (area wise details be furnished);

c) The action taken by the Government to restart these factories so as to help people of those areas;

d) Annual production of sugar in the State and the quantum of sugar being exported?

Sri S.A. Ravindranath (Minister for Rural Water Supply, Sanitation & Sugar) :

a) There are 55 sugar factories in the State. Sector wise breakup is given below.

SECTOR	NUMBER OF SF.
Government	02
Joint	01
Co-Operative	22
Private	30
Total	55

b) There are 9 Co-Operative sugar factories, 2 Government factories, 1 Joint Sector and 3 private sugar factories, which are sick.

Name of the sick sugar factories	Sector	Area
1. Mysore Sugar Co.Ltd.,	Government	Mandya
2. Mysore Paper Mills Sugar factory	Government	Bhadravathi,
3. Gangavathi Sugar	Joint	Gangavathi
4. Bhadra	Co-Operative	Doddabathi, Davangere Dist.,
5. Dakshina Kannada	Co-Operative	Brahmavara, Udupi Dist.,
6. Hemavathy	Co-Operative	Srinivaspura Hassan Dist.,
7. Karnataka	Co-Operative	Sangoor, Haveri Dist.,

8. Pandavapura	Co-Operative	Pandavapura, Mandya Dist.,
9. Raibagh	Co-Operative	Raibagh, Belgaum Dist.,
10. Alland	Co-Operative	Bhoosanur, Gulbarga Dist.,
11. Srirama	Co-Operative	Chunchanakatte, Mysore Dist.,
12. Vanivilasa	Co-Operative	Hiriyur, Chitradurga Dist.,
13. Devi Sugars	Private	Shimoga Dist.,
14. Siraguppa	Private	Gowribidanur, Kolar Dist.,
15. Sundari Sugars	Private	Kampli, Bellary Dist.,

Following are the main reasons why the sugar factories have become sick :

1. Administrative failure by the Management of the factories.
2. Production cost of sugar is more than the sale price.
3. Fall in price of sugar in national and international markets.
4. Continuous drought in the previous years and hence the factories have failed to crush the sugar cane to their crushing capacity.

c) Government has decided to lease out all these co-operative sick units to the Private entrepreneurs so as to re-habilitate them. So far, five Co-operative sugar factories have been leased out.

With regard to Mysore Sugar Co., Government has provided working capital assistance of Rs.25.52 crores during 2005-06 10 crores during 2006-07 and 5.06 crores towards VRS purpose and 5.50 crores to Co-generation Units and Rs.5.02 crores has been released for payment of interest to debenture holders. Since may 2005 Government has provided a sum of Rs.51.10 crores. A decision has been taken to provide 65 crores towards working capital and capital assistance to continue the crushing operation for the season 2007-08.

Gangavathi sugar factory which is in Joint sector has been closed and DRT auctioned this factory to private entrepreneurs but the shareholders of this factory have filed an application before DRAT Chennai to set aside the auction proceedings. The case is pending.

d) The annual Sugar production during a season is 25-26 lakh MTs. The present quantum of exports is around 1.5 lakh MTs. It is proposed to export around 2 lakh MTs. from Karnataka.
